AVAILABLE AS AN ASSORTMENT

WHEELS®

Duncan® has taken the Classic Wheels® design and given it an upgrade in style and play. Wheels will spin much longer with the transaxle design advancement. More spin times lead to more tricks! In addition, all four of the assorted hub-cap designs have been enhanced to better represent the latest in racing and design trends. **One of the best beginner yo-yos available!**

3281MC

PROYO®

A modern classic, ProYo® features a patented replaceable wooden axle that makes looping tricks easy. The ProYo offers the durability of plastic with the classic feel of a wooden yo-yo. It's perfect weight allows for more tricks to be performed on one throw. With ProYo's take-apart design, removing knots is now as easy as twisting the halves in opposite directions, removing the knot, and just re-assembling!

Side Cap Designs May Vary.

REFLEX™ AUTO-RETURN TECHNOLOGY!

3513AR

The Reflex™ is the easiest yo-yo for new players. It returns to the hand without having to tug the string! In the center of the yo-yo is a centrifugal clutch. As the yo-yo loses spin, this clutch engages around the axle and the Reflex automatically snaps back to the hand. Its take-apart design also makes knot removal a cinch, while it's lightweight, wide shape makes learning new tricks simpler than ever before!

LIME LIGHT™

3517LL

Creating a light show on a string is easy with Lime Light! It features a rim-weighted body made of durable polycarbonate plastic encasing special LED light technology that blinks, changes colors and patterns while it spins! Lime Light features a replaceable wooden axle for looping tricks giving it the feeling of a classic wood yo-yo in a modern plastic design.

INTERMEDIATE

PULSE™

3572XP

Like the Lime Light, the Pulse features special LED light-up technology. Unlike the Lime Light, the Pulse features a ball-bearing axle for even longer spin times and friction stickers for easy returns. *Used by world champions!*

BUTTERFLY XT™

3514XP-T

Based on the world famous Butterfly®, the Butterfly XT™ is a classic design with modern technology. It features a ball-bearing axle, offering 10x the spin time of the original Butterfly. It boasts a take-apart design for easy knot removal & "starburst" response design for snappy returns to the hand. These features make Butterfly XT perfect for a beginner to intermediate player looking for high performance at a great price!

FREEHAND™

Freehand™ is the original counterweight yo-yo! With the introduction of Freehand came a new way to perform tricks. By attaching the counterweight to the end of the string, the Freehand is no longer attached to the hand, allowing you to toss and catch the yo-yo in midair and perform innovative tricks! Freehand is made of durable polycarbonate and features a high speed ball-bearing, and smooth response that give long spin times.

The yo-yo has evolved: no longer just a kid's toy, the yo-yo is now a bona fide sport enjoyed by millions. Duncan is at the forefront of this sport, hosting some of the globe's biggest and best contests.

International Yo-Yo Championships:

Beautiful beaches, eternal sunshine, and endless palm trees provide the perfect backdrop to one of the world's best yo-yo contests. Hosted in the center of Downtown Disney at the Walt Disney World Resort, the International Yo-Yo Championship is an event experienced by tens of thousands of families.

ESPN, the worldwide leader in sports, has a new sport to add to its roster: yo-yo.

ESPN has teamed up with Duncan Toys to bring you the annual International Yo-Yo Championships. Featuring the best yo-yo players from 20+ countries, ESPN shows these yo-yo masters spinning and slinging in their breathless race for the gold.
